

Covet

Grand opening

NESTLED IN THE HEART of downtown Scottsdale since March, **Covet** is a sleek new boutique that carries a global line of products.

With former careers in fashion and retail, husband and wife **Randy and Adrienne Krebs** were inspired to open their own shop, one that offered "a complete lifestyle experience."

The modern space, which Randy Krebs describes as "reflective of an urban store found in downtown shopping districts around the world," has stark white walls and furnishings, clear acrylic seating and hanging modern art (also available for sale) by Swedish artist **Calle Henzel**, who also designed the boutique's Pop Art-inspired rug.

With eclectic designs that include historically themed graphic T's, sneakers made of recycled boat sails, one-of-a-kind vintage handbags embellished with artistic prints and jewelry created from spoon remnants, Covet is stocked with a kaleidoscope of trendsetting apparel, footwear and accessories for men and women.

Details: Covet, 4234 N. Craftsman Court, Scottsdale. (480) 949-3000. Hours are 11 a.m.-7 p.m. Mondays-Saturdays and noon-5 p.m. Sundays. shopcovet.com.
