

STEAL THESE celeb's sizzling looks

AGE PAGE

WE CAN'T HELP but want to emulate the trendsetting looks of our favorite actresses, and this summer they've walked the red carpet in style with hot ensembles that run the gamut from casual to dressy.

Here we've selected four leading ladies to show you the how-to of star style for every age.

50s+ Diane Keaton

Keaton is the poster girl for ageless beauty. Few women in Hollywood have been able to ride the wave of fame into their 60s as she has done. It's not only her career that generates buzz, but her classically elegant, age-appropriate style as well, like this pairing of a tailored white shirt with skinny jeans, wide belt and beaded necklace worn wrapped for a choker effect.

Get the look: White shirt, \$44.50 at **the Limited**, Ontario skinny jeans, \$78 at **Banana Republic**, black riveted belt, \$58 at **Nordstrom**, and black beaded faux-marble necklace, \$6.99, black beaded necklace, \$5.99, and black faux-marble ring, \$5, all at **Charlotte Russe**.

40s Sarah Jessica Parker

With her own fragrance, a new clothing line and a possible return to the city (*Sex and the City* is headed for the big screen), Parker's star is blazing; as a matter of fact, it's on fire! Not only is she a talented actress, but this style maven also knows her way around fashion as shown with this ensemble: a trapeze sweater, striped T and straight-leg pants accented with an oversize beaded necklace.

Get the look: Cropped silver sweater with three-quarter-length sleeves, \$49.50 at **the Limited**, navy- and gray-striped T, \$19.50, and straight-leg navy pinstripe pants, \$59.50, both at **Gap**, and multicolored beaded necklace, \$6.99, and multicolored beaded bracelets (set of three), \$6, both at **Charlotte Russe**.

30s Gabrielle Union

This bronze beauty lights up the screen in her roles and is just as electrifying about town. Union knows how to sport flirty silhouettes, as seen here in this thigh-grazing trapeze dress. The key to this look is eye-catching accessories like the oversize sunglasses and metallic sandals.

Get the look: Coco and Chase geometric-print trapeze dress, \$38, Franco Sarto gold T-strap sandals, \$69.95, gold scalloped hoop earrings, \$38, and Ralph Lauren sunshades, \$99, all at **Nordstrom**.

20s Jessica Biel

With a fresh face and fantastic physique, Biel is a doll in just about any outfit she dons. Aware of her womanly figure, she often rocks the shoulder-baring, curve-hugging frocks, evident here in a strapless dress embellished with gingham cutouts. For this look, it's all about patterns, texture and a pop of color.

Get the look: Betsey Johnson strapless dress with a waffle print and eyelet-cutout detail, \$390 at **Betsey Johnson**, and Abas red faux-crocodile clutch, \$128, and Rachel red hoop earrings, \$8, both at **Nordstrom**.
