CAPTURE JOHANSSON'S red-carpet CACHET FOR out-and-about

Red-carpet glam: The curve-hugging cap-sleeve Monique Lhuillier dress flatters her hourglass figure, and the sequined design adds sass to the formfitting black dress. This was her sexy look for the Grammy Awards in Los Angeles earlier this year.

Get the look: To get this edgy look, we selected a cap-sleeve knit dress, \$89, at **Bebe**. Symmetrically similar accessories accent the outfit, such as the Allison Burns small, round, black patent-leather bag, \$240, pear-shaped earrings with red stone, \$75, and teardrop onyx and platinum pendant, \$175, all at **T's Accessories**, and Style Girl satin peep-toe heels with bow, \$22.99 at **Charlotte Russe**.

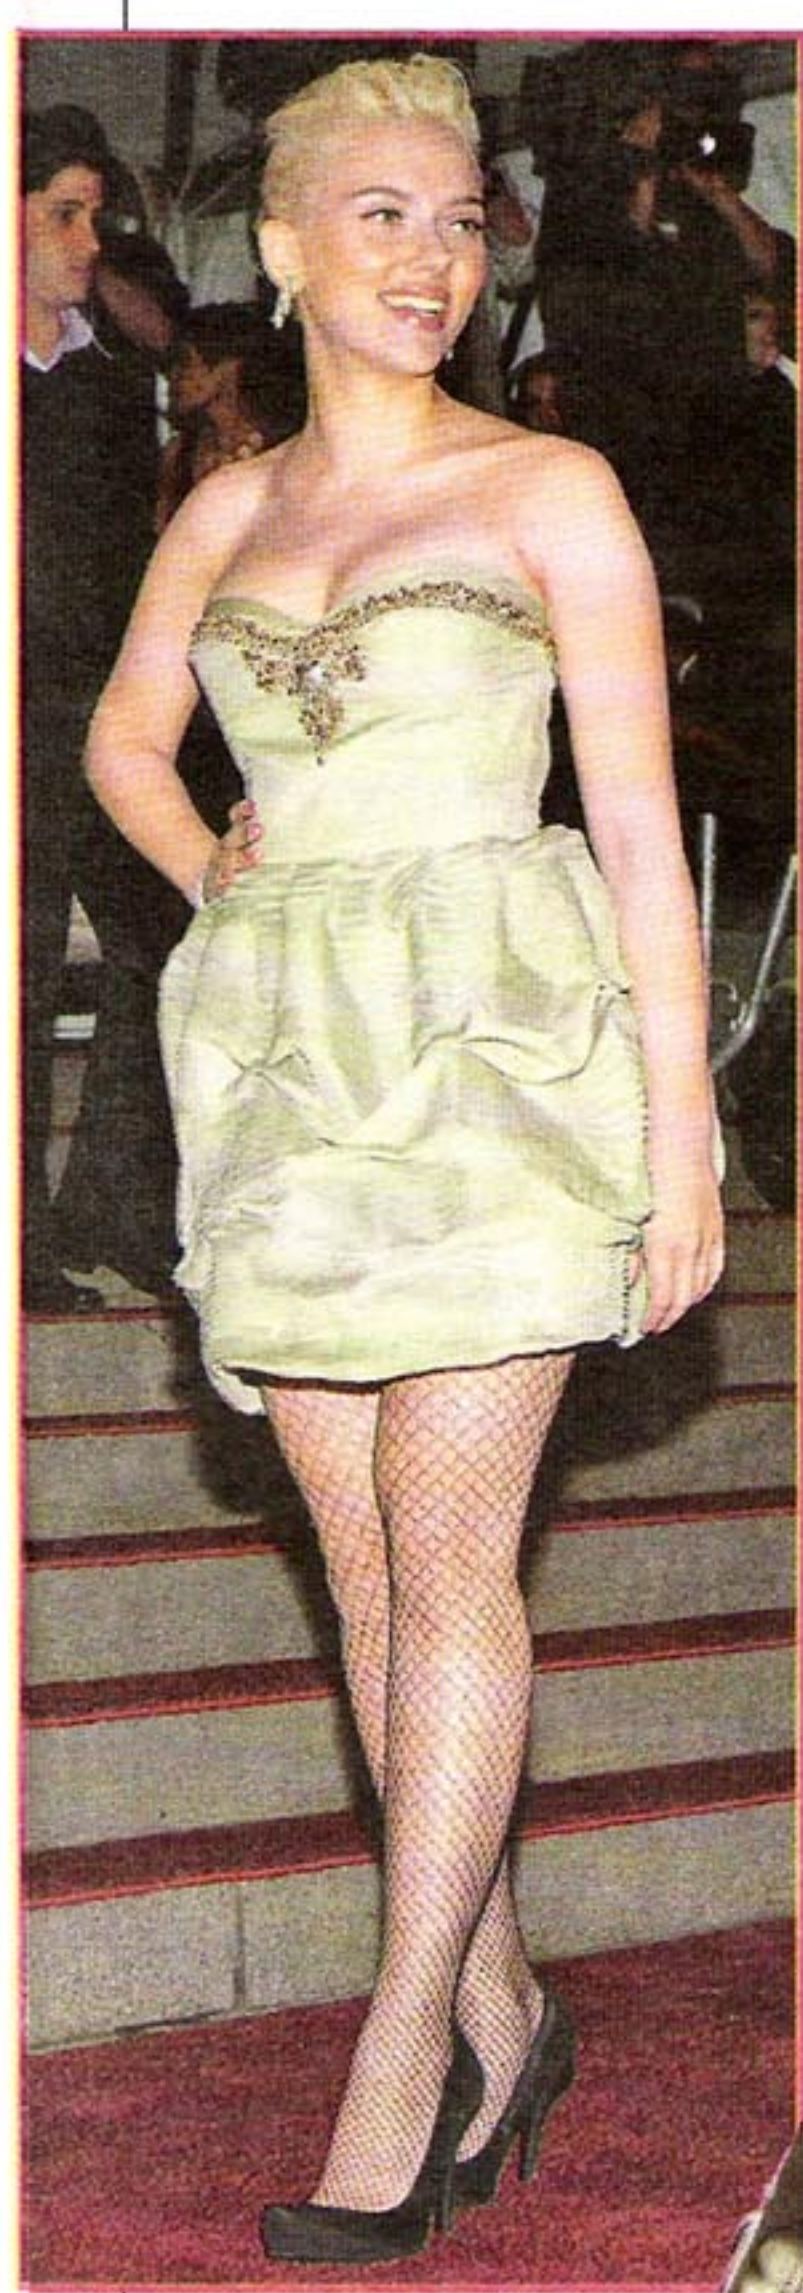

Scarlett Johansson has much to revel about—a line of workout clothes by Reebok called Scarlett Hearts RBK, sultry ads for Louis Vuitton handbags and a new film.

She hit the big screen last month in *The Nanny Diaries* as unassuming Jersey girl Annie Braddock, a recent college grad turned nanny to a precocious child of a wealthy but dysfunctional family from Manhattan's Upper East Side.

Unlike her naive, misguided character, Johansson is a sophisticated, stylish starlet.

Inspired by her fashionable allure, we've taken three of her glamorous red-carpet looks and adapted them for such everyday affairs as an evening out with the girls, opening night at a local playhouse or even a Sunday brunch.

Red-carpet glam: Reminiscent of the 1930s Betty Boop-esque pinups, this taupe corseted dress by Stella McCartney is embellished with beading, has ruched detailing and a bubble hem, which adds a flirty flair to her look for a Louis Vuitton party in New York City in May.

Get the look: To create this glitzy look, we picked the Bread and Butter knit bubble dress with capped ruffle sleeves and a thin wrap belt, \$160 at **Frances**. We added elegance to the dress with beaded and shimmering accessories like the Todd Anthony Butterfly bag, \$248, and Eclectic Rings cubic zirconia ring, \$90, both at **T's Accessories**, and 2028 vintage-inspired beaded necklace, \$38, and bracelet, \$22, and Guess metallic, pale-gold peep-toe heels, \$99, all at **Macy's**.

Red-carpet glam: The metallic, two-piece fitted top and full skirt by Marc Jacobs for Louis Vuitton was a gradient from peachy mauve to teal blue that creates a luxurious effect, giving this ensemble prominence and enhancing her radiance. She wore it to the "King of Fashion" Costume Institute Gala at the Metropolitan Museum of Art in New York City in May.

Get the look: To achieve this elegant look, we chose the Phoebe Couture silk tri-tone sheath dress, with a peach, cream and marigold print bodice trimmed in a sheer ruffled lace, and a cream lace sash that extends down to a straight-fitting chocolate-colored skirt, accented with knit pleats, \$270 at **Nordstrom**. Accessories complement this blending of colors with cubic zirconia, 18-karat gold over sterling-silver studs, \$20 at **the Limited**; faux-amber cocktail ring, \$45 at **Banana Republic**, and brown satin purse with peach- and cream-hued shells, \$35, and Libertas Klitten brown strappy heels, \$175, both at **T's Accessories**.

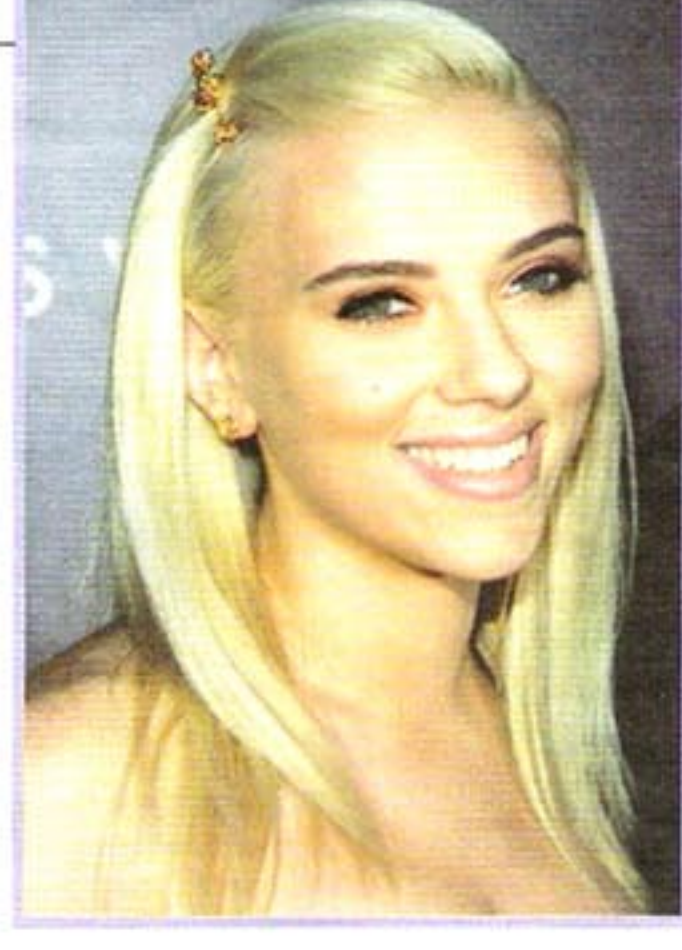

Scarlett's workout line, Scarlett Hearts RBK (she's wearing it head to toe here) is available at **rbk.com**. She's also the pretty spokeswoman for Louis Vuitton. You'll find the label at **Louis Vuitton** and **louisvuitton.com**.

"I have an **obsessive character**. I manicure my nails at three in the morning because **nobody else can do it the right way**. Maybe that's **the secret to my success**."

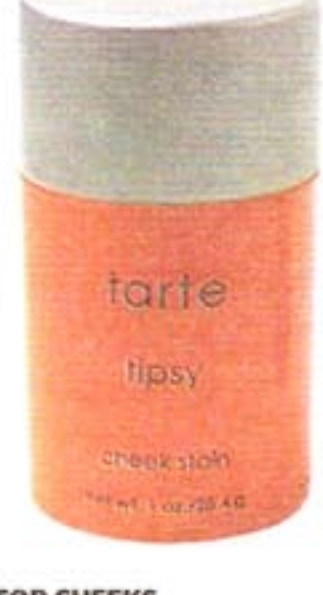

Johansson's radiant complexion is accomplished with soft, natural makeup choices that enhance her chic clothes.
